

WEEKLY BEST OF FAIRFIELD COUNTY READERS' POLL 2006

"Best Thai Restaurant"

King and I

260 Post Road, Fairfield, 203-256-1664;

545 Broadbridge road., Bridgeport, (203) 374-2081

Kamol Juabsamai really does listen to his customers. When loyal patrons of his venerable Bridgeport restaurant complained of how difficult it was for them to travel from their homes in Easton, Weston, and Fairfield to his restaurant, he listened. And last year, he and his wife opened the larger Fairfield outpost of their popular Thai restaurant.

He also listens to his customers regarding what dishes they prefer, and then makes sure that they stay on the menu, which means the offerings remain pretty much the same from year to year. All this listening has brought him success, as well as the designation of Best Thai Restaurant in Fairfield County by Weekly readers.

Regarding that honor, Juabsamai had this to say: " I'm really happy that people selected us, and I'll try to keep the same qualities that brought me success. I'm going to keep listening to my customers."
