Kamol Juabsamai is still listening to his customers, a strategy he believes garnered his year-old Fairfield restaurant a first place win for Best Thai in last year's poll. One of the things he learned was to keep the dishes his customers liked on the menu. Smart move. It means the offerings remain pretty much the same this year as they were last year. If it's not broken, don't fix it –right? Juabsamai's consistency-first strategy is serving him, and his Thai-one-on-customers, well.
